

Corvallis School District

INSTRUCTION

2221

School Closure

The Superintendent may order the closure of schools in the event of extreme weather or other emergency, in compliance with established procedures for notifying parents, students and staff. The procedures for school closure are contained in the District's Emergency Procedures Manual.

The Trustees may order the emergency closure of schools for one school day each year without the need to reschedule the lost pupil instruction time when the closure is the result of an emergency.
