School-Support Organizations

The Board recognizes that parent, teacher, and student organizations are an invaluable resource to the District schools and so supports their formation and vitality. While parent, teacher, and student organizations shall have no administrative authority and cannot determine District policy, their suggestions and assistance are always welcome. Membership will be open and unrestricted.

Booster clubs and/or special interest organizations may be formed to support and strengthen specific activities conducted within the school or District. All such groups must receive the approval of the school principal, Superintendent and the Board in order to be recognized as a booster organization. Staff participation, cooperation and support are encouraged in such recognized organizations.

Fund-Raising by School Support Groups

Fund-raising by school support groups is considered a usual and desirable part of the function of such groups. The specific fund-raising activities must be approved in advance by the principal or superintendent.

The principal or superintendent must be consulted prior to any expenditure of such funds. All such funds raised by school adjunct groups are to be used for the direct or indirect support of school programs. Equipment purchased by support groups and donated to the schools becomes the property of the District and may be used or disposed of in accordance with District policy and state law.
