

Use of School Property for Posting Notices

Non-school-related organizations may ask the building principal for permission:

1. To display posters in the area reserved for community posters; or
2. To have flyers distributed to students.

Posters and/or flyers subject to a request must be student oriented and have the sponsoring organization's name prominently displayed. Permission will be denied to post or distribute any material that would:

1. Disrupt the educational process;
2. Violate the rights of others, including material that is defamatory;
3. Invade the privacy of others;
4. Infringe on a copyright; or
5. Be obscene, vulgar, or indecent.
6. Promote the use of drugs, alcohol, tobacco, firearms, or certain products that create community concerns.

No commercial publication shall be distributed unless their purpose is to further a school activity, such as graduation, class pictures, or class rings. No information from candidates for non-students elective offices shall be posted or distributed in the school.

Once permission is granted, the organization must arrange to have copies delivered to the school. Distribution of the material, if it is possible, will be done by the classroom teacher without discussion.
