

NONINSTRUCTIONAL OPERATIONS

Records Management

The District will retain, in a manner consistent with applicable law and the state's *Rules for Disposition of Local Government Records*, such records as are required by law or regulations to be created and/or maintained, and such other records as are related to students, school personnel, and the operations of the schools.

For the purpose of this policy, "records" are all documentary materials, regardless of media or characteristics, made or received and maintained by the school unit in transaction of its business. Records include email and other digital communications sent and received.

Records may be created, received, and stored in multiple formats, including but not limited to print, microfiche, audio and videotapes, and various digital forms (on hard drives, computer disks and CDs, servers, flash drives, etc.).

The Superintendent will be responsible for developing and implementing a records management program for the cataloging, maintenance, storage, retrieval, and disposition of school records. The Superintendent will also be responsible for developing guidelines to assist school employees in understanding the kinds of information that must be saved and those which can be disposed of or deleted. The Superintendent may delegate records-management responsibilities to other school personnel at his/her discretion to facilitate implementation of this policy.

Litigation Holds for Electronic Stored Information (ESI)

The school district will have an ESI Team. The ESI Team is a designated group of individuals who implement and monitor litigation holds, a directive not to destroy ESI that might be relevant to a pending or imminent legal proceeding. The ESI Team will include a designated school administrator, an attorney, and a member from the Technology Department. In the case of a litigation hold, the ESI Team shall direct employees and the Technology Department, as necessary, to suspend the normal retention procedure for all related records.

Inspections of ESI

Any requests for ESI records should be made in writing and will be reviewed by the Superintendent or designee, in consultation with an attorney if needed, and released in accordance with Montana public records law.

Delegated Authority

The Board delegates to the Superintendent or designees the right to implement and enforce additional procedures or directives relating to ESI retention consistent with this policy, as needed.
